Kevin Winn, P.E. Commissioner  
Michael Rosafort, Road Foreman

Bob Mascianica, Deputy Commissioner

**October 8, 2020**

**From: Bedford Public Works Dept.**

**To: All Residents**

**Re: Public notice to all residents regarding Road Paving in Bedford NY for the period beginning Tuesday, October 13, 2020**

**The Town of Bedford plans on several days of road paving. Work will begin Tuesday, October 13, 2020 and last through Tuesday, October 20, 2020 (inclusive.) We will NOT be paving Saturday, October 17, 2020 or Sunday October 18, 2020. Roads to be paved at this time include:**

- Green Lane (Mclain to Route 117)
- Elm Road (between Croton Lake Road and Lakeside Drive)
- Croton Lake Road (from House #428 to Wood Road)
- Wood Road (Paved stub at the intersection of Croton Lake Road)
- Fieldwood Drive (From Cottage Terrace to Dead End)
- Davids Hill Road (paved portions on Hill and at Bedford Center Road)
- Twin Lakes Drive (paved apron at Stamford Road)
- Cole Drive (From Chestnut Ridge Road to the Town Line)

**Commuters could experience temporary disruptions to traffic and access as paving operations commence. Residents are asked to refrain from parking on these streets as paving proceeds. Residents are also asked not to put out leaf bag, etc. out on the pavement for pick-up prior to paving as it will impede paving progress.**

**The precise scheduling of work depends upon weather conditions and the proper operation of paving equipment. Therefore your patience and understanding are appreciated. Keep in mind that it is possible that rain events or paving equipment issues may push back the paving schedule a day or two. Paving will be preceded by road milling and associated key cuts to the intersections and to some driveways where key cuts are considered beneficial.**

**If you have any further questions regarding this matter, please feel free to contact Bedford Public Works Department at 914-666-7669.**
